Re: February 26, 2019 Texas Public Information Act Request

Ms. Priest:

By email dated February 26, 2019, you provided three letters requesting copies of the following: (1) “the Calhoun Port Authority’s financial audits from 1997, 2005 and 2017; (2) “any documentation of work performed by Blake Farenthold for the Calhoun Port Authority”; and (3) “the check registers approved by the board of the Calhoun Port Authority for each month between May 2018 to present.”

The information responsive to requests (1) and (3) is attached; there is no information responsive to request (2).

Sincerely,

A handwritten signature in blue ink, appearing to read "Bill Cobb".
